BUSINESS AS MISSION

7 Day Bootcamp  
Sunshine Coast  
Queensland Australia

**February 23-29 2012**

## ABOUT THE COURSE

### 7 Day Bootcamp on the Sunshine Coast

Be inspired about a Kingdom perspective on business, interact with business leaders who have built successful businesses, meet others with a heart for business and develop links with business mentors.

The BAM Course incorporates classroom teaching and discussion, stories and input from business people who have built successful businesses, visits to the sites of local businesses and the development of mentoring relationships that will continue after the course is over. Through the course there is an emphasis on personal development, discipleship and mentoring.

There will be daily sessions by business leaders with many years experience in building and developing successful businesses. In the evenings there will be opportunity for informal Q & A sessions where students will be able to interact with their business lecturers. Here are the topics they will present:

- Leadership in the workplace
- Team synergy
- Understanding financial reports
- Marketing
- Sales
- Relationships in the work place
- Business planning and implementation
- Relationships in the workplace
- Spiritual realities in business as mission
- Importance of character, ethics and work/life balance
- Success and failure in business

To supplement this input from business leaders there will be some sessions that present

- A Kingdom perspective on Business
- Biblical foundations for Business as Mission
- Biblical mandate to disciple nations

## WHY?

As Christians our primary mission is to see the Kingdom come to the earth. One of the ways this values, purpose, perspective and impact. Our goal through our Business as Mission course is to mission can be accomplished is through viable and sustainable businesses which have Kingdom values, purpose, perspective and impact. Our goal through our Business as Mission course is to inspire and equip men and women to fulfil their calling in the business loth within their own local community and in other countries Business as Mission is about:

- Real, viable, sustainable and profitable businesses;
- With a Kingdom of God purpose, perspective and impact;
- Leading to transformation of people and societies spiritually, economically, socially and environmentally to the greater glory of God.

## WHO?

- People wanting to go into business -

We are keen to encourage and mentor entrepreneurs who have a passion and commitment their mark in business. The 7 day intensive course lays a Biblical foundation for business as mission and through the interaction with established business leaders students will be introduced to some of the key principles to run a successful business.

- People already in business -

We recognise that many people have entered business without a proper understanding of God's perspective of this arena. By doing this course people in business will be inspired to see God's plan for the business world and the impact it can have for the Kingdom of God. Also they will receive practical instruction from proven business leaders on how to grow their business.

- People wanting to establish businesses in other countries - Worldwide is the desire people have to use business skills to bless and encourage communities throughout the world. A number of our team have first hand experience in establishing businesses in other countries and they will be able to share their expertise with students.

BAM (Australia) is located on the Sunshine Coast in Queensland Australia. Here you get the best of both worlds - beautiful location and an intensive course specifically designed to equip you to fulfill your call in business.
